TAKE MANY STARS

The Army Will Get Some of
Baseball's Best Talent.

214 Big Leaguers Will Be In on
the First Call.

New York, April 30.—Baseball—to use the words of Ban Johnson—will be honored and glorified by a war call to the young men who are eligible to military service, according to present plans of the war department.

Someone asked Ban if baseball would "suffer" thru selective conscription, and Johnson instantly resented the word. Approximately 214 men in both big leagues will be drafted if the call goes out before the end of the season. 113 of these will come from the American league and 101 from Governor Tener's circuit.

May Finish Season.
The fact that the American league clubs, for the most part, are being drilled constantly will have little effect, for what they are learning in baseball drilling camps would be only a beginning to the instructions they would receive in a big army encampment.

The only hope for a respite seems to be in the fact that mobilization at the camps probably will not begin until September, when the baseball season is rapidly drawing near the end. A month might be granted the men to finish and then report. The world's series might suffer badly.

Among the stars of the game who are believed to be eligible to service are: Benny Kauff, Giants; Howard Ehmke, Detroit Tigers; Dave Davenport and Allen Sobotnik, Browns; Joe Judge and Harry Harper, Senators; Jesse Barnes, Walter Maraville, Arthur Neuf and Bill James, of the Braves; Leon Cadore, Dodgers; Keith and Wortman, Cubs; Cuto, Kopf, Mitchell, Rousch and Sanders, Reds; Walter Holke, Fred Luchip and Kilduff, of the Giants; Bancroft, Oeschger, Stock and Whittier, Phillies; Higbee, Baird, Fischer, Grimes and Warner, Pirates; Hornsby, Meadows, North, J. Smith and Watson, of the Cardinals.

IN TRIS'S SHOES

Tilly Walker Makes Good With
the Boston Red Sox.

He's Holding on to Job With
Might and Main.

BY JACK VELOCK.

New York, April 30.—Inspiration, coupled with what learned Boston might call "inherent ability" to cavort on the baseball greenward, has made "Tilly" Walker a valuable asset to the Red Sox.

Had it not been for the baseball deal which sent Tris Speaker to Cleveland and resulted in the Red Sox securing Walker from the Browns at the start of last season, "Tilly" would have lacked the inspiration.

Tristram, the mighty, is alone responsible for ambitions that have spurred Walker on to become one of the American league's best all-around outfielders.

When "Tilly" was called upon to fill the boots left vacant by Speaker's departure from the club of Culture he knew he had a big job on his hands, for Speakers are few and very, very far between. But "Tilly" buckled into the job, laced up the large-sized shoes and went to it.

He is Making Good.
Luckily for Walker the deal which sent him to Boston helped him to a cut of the world's series pie and made him a member of the world's champions. And "Tilly" is holding onto his job with both mitts these days.

Last season Walker hit .265, which is not considered terrific hitting for an outfielder by any means, but many of his hits were for extra bases, and when there were men on the bases, in the field he finished with an average of .959.

Boston fans are watching Walker's work this year in the belief that he will show great improvement. He has started off the season hitting like a demon, and, although the fast pace has been getting well on its way to keep up when the crafty pitchers get settled down to steady heaving, his work with the Red Sox has helped Boston to forget the disappointment they felt when Speaker was sold to Jim Dunn's Indians.

SPLIT CARNIVAL HONORS

East and West Divide Laurels at
Pennsylvania Track Meet.

Philadelphia, Pa., April 30.—The University of Pennsylvania and Chicago university carried off the feature event Saturday in the annual carnival relay race, which was won by the eastern college twice snatched victory from western institutions right at the tape, winning the two-mile relay championship of America by a scant yard from Notre Dame, which ran a plucky race, and taking the one-mile relay American title from Missouri by the fine running of Lester, the Quakers' anchor man. Chicago university had little trouble in capturing the four-mile relay national championship, although Massachusetts Institute of Technology several times threatened the western team.

C. I. Larson, of Brigham Young university, in winning the high jump, made a leap of 6 feet, 5 inches, breaking the collegiate record of 6 feet, 5 inches, made by Alvin Karpis, of Cornell, in 1915. Another record broken was that by Pennsylvania freshmen, who won the one-mile relay championship in their class, reducing by 3 1/2 seconds the former figures made by a Pennsylvania first-year team in 1913.

HAVE A FAST TEAM

Hays College Students Defeat Hays
Normal Nine Two Games.

Hays, Kan., April 30.—In two consecutive games the Hays college baseball team defeated Fort Hays Normal. The first game resulted in a score of 6-3. The game stood 2-3 in favor of the Normals when a streak of batting luck turned the defeat into a victory for the college. The batteries were: For college, Wassinger, Schmidt and Drelling; for Normals, Edwards and Meade. The college boys outclassed the Normals all around in the second game. At the beginning of the ninth inning the game was called on account of rain. The score stood 10-6 favor of college. Batteries were: For college, Wassinger, Drelling; for Normals, Edwards, Spear, Carman and Archer.

Rapps Sold by Wichita?
Wichita, Kan., April 30.—Bill Rapps, veteran catcher, first baseman and utility man of the Wichita ball club, has been reported sold today to the Dubuque, Iowa, team.

SCOREBOARD FLASHES

Sunday's hero: Will Mitchell. He heaved the Tigers to their first victory of the season over the White Sox—a shut out. It was Ty Cobb's triple and sacrifice fly following, which really doomed the Sox.

Another youth rescued the Pirates. His name is Carlson and he shut out the Reds, three to nothing.

The Browns smashed out twelve hits to fourteen by the Indians, but were victorious, six to five.

Speaker contributed to the afternoon with two bingles out of three efforts.

It required three pitchers and eleven innings to do it, but the Cubs turned back the Cardinals, six to five.

The Yankees and Dodgers were not satisfied with a week of it, so they ran it over into Sunday exhibition games.

Additional sport will be found on other pages.

WITH OTHER STATES

Children of Kansas Join in Nation
Wide Food Campaign.

Children in Kansas public schools will be enrolled with the children of other states in a nation wide food production and conservation campaign. Plans for the organization have been outlined in a telegram to Governor

Capper from Secretary Wilson of the federal department of labor. Recently Governor Capper urged that 300,000 boys and girls in public schools of all states enroll in a campaign for greater food production. The appeal was in direct line with a nation wide movement to enlist the services of all school children in the campaign for more food stuffs. Now Secretary Wilson has asked Governor Capper to place the Kansas school children in the ranks of the federal organization. Under the plan as out-

lined each county superintendent of public instruction will be designated as a county organizer in the campaign for activity of the boys and girls in the food campaign.

TOPEKAN WOULD TRAIN

H. O. Birt, on European Front, Sees
Chance to Instruct Troops.
Should be secure his discharge from the services of the Canadian govern-

ment. H. O. Birt, a former Topekan, would return to Kansas and instruct troops and guardsmen in the science of trench warfare. Birt offered his services in a letter to Gov. Capper. Before enlisting in the Sixth Canadian reserve battalion, Birt lived at 714 Chandler street, Topeka. He has seen much active warfare as a lance corporal in the reserve corps. Now he wants to return to Kansas and teach troops of his former home state the tricks of trench fighting.
